

TALKING POINTS FOR FOUNDATION PRESENTATION

- History of the Foundation
- What the Foundation has done for “you” in the past
- The Vision of the current Board for the Foundation
- What is “Your” responsibility to yourself, your profession and your industry?
- Education, Education, Education (of yourself, your peers, the next generation, the public)
- How can you help and why is it important to do so
- “I’m In” what it means to you and to others
