MULTI-YEAR GIVING PROGRAM: The Multi-Year Initiative is a program that allows donors to make longer-term philanthropic commitments to The Foundation of NACE. As a benefit, donors are awarded the status of their full dollar, current and future commitment to the Foundation. The minimum donation to participate in this program is \$1,000.00 per year for a three-to-five-year period. If the donation is not received during the commitment period, the donor's benefit status will revert to the applicable category based on the donor's actualized contribution.
